Publications

The conference organisers have a track record of successfully publishing papers from their events.

This year, once your paper is accepted you will be invited to submit an extended abstract (c.2,000 words), which must be submitted in advance of the event and will be available (digitally) to participants before the conference. This will add significantly to the depth of discussion and participation at our event.

All authors of suitable papers will be invited to publish their work in the *International Journal of Religious Tourism and Pilgrimage* (IJRTP) and/or selected for inclusion as chapters in forthcoming books in the organisers' *Religious Tourism and Pilgrimage Book Series* with CABI publishers.

Location of Conference

The conference will be held at **Casa dei Padri**, a guest house situated in **Armeno**, a small town close to **Orta Lake**.

Orta Lake lies to the west of Lake Maggiore, in North West Italy. It is a minor star in the constellation of the subalpine lakes, but all the fascination and the history of the larger lakes seem to be concentrated in this small space.

Casa dei Padri was the historic residence of Oblates of Saint Joseph, and has been recently restructured within a project called *Innovation into Tradition*. The project aims at making Casa dei Padri a hub for cultural and training activities on issues related to local development and culture promotion.

The conference premises are strategically located 50 km from Milan and from Milano Malpensa Airport.
